

WORK LIGHT 27W LED

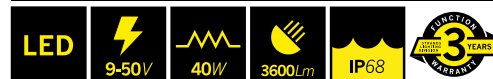

- Voltage: 9-32V
- Watt: 27
- Theoretical lumen: 2430
- Actual lumen: 1700
- IP-class: IP68
- Length: 109mm
- Hight: 109.1mm
- Hight with bracket: 117.5mm
- Depth: 74.9mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C - +85°C
- Material housing: Rugged diecast aluminum
- Material lens: PMMA
- EMC-certificate: Yes

Part No. 809071

WORK LIGHT 40W LED

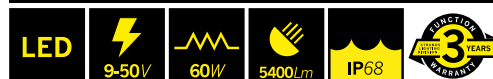

- Voltage: 9-50V DC
- Watt: 40
- Theoretical lumen: 3600
- Actual lumen: 2600
- IP-class: IP68
- Length: 105mm
- Hight: 105mm
- Hight with bracket: 138mm
- Depth: 64mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C - +105°C
- Material housing: Rugged diecast aluminum
- Material lens: PC
- EMC-certificate: Yes

Part No. 809072

WORK LIGHT 60W LED

- Voltage: 9-50V DC
- Watt: 60
- Theoretical lumen: 5400
- Actual lumen: 3900
- IP-class: IP68
- Length: 155mm
- Hight: 117.5mm
- Hight with bracket: 151.95mm
- Depth: 66mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C - +105°C
- Material housing: Rugged diecast aluminum
- Material lens: PC
- EMC-certificate: Yes

Part No. 809070

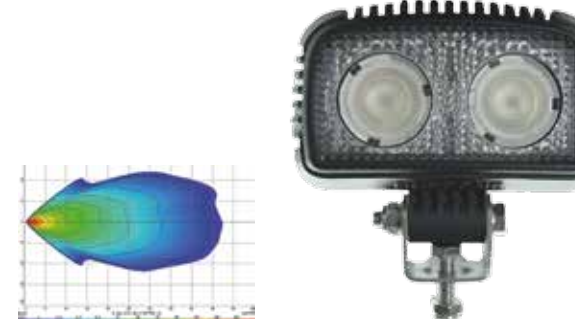

WORK LIGHT 120W LED

- Voltage: 9-32V DC
- Watt: 120
- Theoretical lumen: 10800
- Actual lumen: 8000
- IP-class: IP68
- Length: 220mm
- Hight: 152mm
- Hight with bracket: 196mm
- Depth: 91.3mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C - +85°C
- Material housing: Diecast aluminum
- Material lens: PC
- EMC-certificate: Yes

Part No. 809073

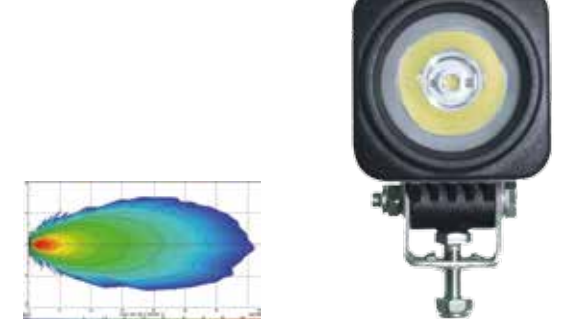

WORK LIGHT 20W LED

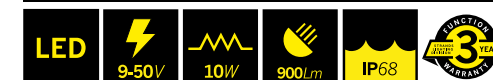

- Voltage: 9-50V DC
- Watt: 20
- Theoretical lumen: 1800
- Actual lumen: 1282
- IP-class: IP68
- Length: 100mm
- Hight: 60.7mm
- Hight including bracket: 89.8mm
- Depth: 54.2mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40 to +105
- Material housing: Rugged diecast aluminium
- Material lens: PC
- EMC-certificate: Yes

Part No. 809074

WORK LIGHT 10W LED

- Voltage: 9-50V DC
- Watt: 10
- Theoretical lumen: 900
- Actual lumen: 590
- IP-class: IP68
- Length: 55mm
- Hight: 55mm
- Hight including bracket: 80.8mm
- Depth: 68.4mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C to +105°C
- Material housing: Rugged diecast aluminium
- Material lens: PC
- EMC-certificate: Yes

Part No. 809075

WORK LIGHT 80W LED

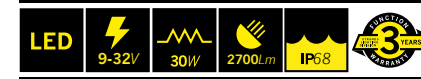

- Voltage: 9-50V DC
- Watt: 80
- Theoretical lumen: 7200
- Actual lumen: 4880
- IP-class: IP68
- Diameter: 170mm
- Hight including bracket: 187.8mm
- Depth: 99.5mm
- Cable length: 300mm
- DT-connector
- Operation temperature: -40°C to +105°C
- Material housing: Aluminium
- Material lens: PC
- EMC-certificate: Yes

Part No. 809076

WORK LIGHT 30W LED

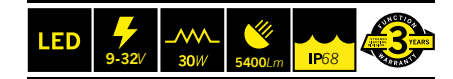

- Voltage: 9-32V DC
- Watt: 30
- Theoretical lumen: 2700
- Actual lumen: 2000
- IP-class: IP68
- Length: 154.2mm
- Hight: 97.4mm
- Hight including bracket: 138.7mm
- Depth: 69mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C to +85°C
- Material housing: Aluminium
- Material lens: PC
- EMC-certificate: Yes

Part No. 809078

WORK LIGHT 30W LED

- Voltage: 9-32V DC
- Watt: 30
- Theoretical lumen: 5400
- Actual lumen: 4000
- IP-class: IP68
- Length: 119.3mm
- Hight: 119.3mm
- Hight including bracket: 151.95mm
- Depth: 65mm
- Cable length: 300mm
- DT-connector
- Operating temperature: -40°C to +85°C
- Material housing: Aluminium
- Material lens: PC
- EMC-certificate: Yes

Part No. 809079
